## Teamwork At Home

### ***Week #6 Catch Phrase: "Together Is Better"***

It has been a good summer, but like most summers things start to pile up around the house. Luke's family is no different. Luke's dad shared after dinner that the entire family would help clean out the garage. Luke opened the garage door and thought it would take forever to clean it out and was not excited about helping at all.

#### **Questions:**

When has there been a time that you were asked to help around the house (inside or out) and you did not want to help? Think of the last time your family did a project together. How did it make you feel to complete it together as a team?

---

---

---

Read Ecclesiastes 4:9-12 . (page 608) What are some benefits of teamwork mentioned in this passage?

---

---

---

What are some things at home where you can be a better teammate with your family?

---

---

---

### **TEAMWORK 201**

**Coming together is the beginning  
Keeping together is the progress  
Working together is success**

Teamwork cannot exist anywhere without teammates accepting their roles, practicing humility, serving each other, and sharing a common goal.

Read 1 Corinthians 12 (pgs 1108-1109). List some of the roles people used to help their family get better?

---

---

Read Proverbs 27:17 (pg 600). What does this verse say about teamwork?

---

---

---

Though he did not want to help his family clean the garage, Luke did his share of the work. He was surprised how quickly they finished the job though. When we work together as one, it is amazing what can happen quickly. That is even truer as we work together for Christ. God desires for us to work together for His glory not our own. (Romans 14:19)

**Work It Out:**

**At Home:** Find a project to do as a family this week.

- What was your family project? How did everyone contribute to finishing it?
- Did you like your role in your family project? What was your role?

**Live It Out:** Share how your family project went together. What could have made it better?

**Shout It Out:** Memorize one of the following verses:

*As iron sharpens iron, so a friend sharpens a friend. Proverbs 27:17*

*How wonderful and pleasant it is when brothers live together in harmony!  
Psalms 133:1*
