## FCA and You: Playing to Win!

We're putting the heart and soul back into sports. FCA is teaming up with local churches to host a community wide golf tournament that will help send local student athletes and coaches to camp where they will grow physically, mentally and spiritually. Come join us for a great day of golf that will include contests, prizes and a chance for your team to qualify for the State and National FCA Tournaments. The dinner following will feature College and NFL Coach Chris Meidt. We hope to see you on the 25th!
