### SUMMER CAMP IMPACT!

Focusing on spiritual and athletic transformation with the theme “Inside Out”, the 2009 FCA Leadership Camp at Hardin-Simmons University in Abilene was just plain awesome! 85 Greater Austin area students received full or partial scholarships to attend this camp the week of June 8th. There were 308 campers divided up into 34 Huddle groups led by a volunteer staff of 35 leaders from Texas colleges and universities. And thanks are due to the efforts of 11 Texas FCA staff members and 10 coaches and adult volunteers.

The students came from 68 different communities across Texas. Each day they were challenged by the camp speaker Pastor Garrett Kell, and each day they sang praise and worship songs by the local Zeke Door Band. The message “Inside Out” that the students heard loud and clear came from Romans 12:2, *“Do not be conformed to this age, but be transformed by the renewing of your mind, so that you may discern what is the good, pleasing, and perfect will of God”* (Holman).
