SMALL TOWN WITH BIG RESULTS

Shiner, Texas is home to the Shiner High School Comanches, a 1A high school nestled in this small, rural town (pop. 2,700) about an hour and a half southeast of Austin. They have a “Proud State Championship Tradition” having won four 1A State Football Championships, three Baseball State Championships, the 2008 Softball Championship, and the 2007 Mixed Doubles Tennis Championship.

SHINER HIGH

"PROUD STATE CHAMPIONSHIP TRADITION"

The big results don't stop with athletics. At their FCA Huddle meeting it is not unusual to have 100 students attend out of the 125 students in the high school making it one of our largest FCA Huddles in Central Texas. That's right 100 out of 125!

It appears that the catalyst for this amazing attendance is the accountability and trust found in five small groups led by their 10 student leaders. The FCA Huddle members stay in their small group for the school year allowing for trusting relationships to be developed, and this leads to being able to talk openly and honestly about what the Bible says on issues facing teens today.

Working behind the scenes is Huddle Coach Courtney Welch. She's been supporting the Huddle for the last four years. Courtney makes sure that her leaders attend the FCA Leadership Camp in Abilene to be as prepared to lead as they can be.

She has seen first hand how lives have been transformed. One of her best memories is from the Abilene Leadership Camp last year when two young men from her Huddle committed their lives to Christ.

With a history of strong leadership, unity, trust, and accountability, it's safe to say that Shiner HS FCA plays a big and valuable role in their high school and community.
