### PRAYER IN SCHOOL CONTINUES

Right now we as a country are being inundated with polls leading up to the national election, but pictured here are students that represent the many that gathered on September 24th to focus around a different “poll.” It was “See You at the Pole” day. *See You at the Pole™* is a student-initiated, student organized, and student-led event. That means this is all about students meeting at their school flagpole to pray—for their school, friends teachers, government, and their nation. Many FCA huddle groups organize and lead their school in this morning national event. As our Area Representatives went to different schools that morning they saw hands linked together, heads bowed, and lives submitted to the one true God who in times like these is the only One we can turn to. It is another important way that prayer remains in our public schools.

### “OUT OF THE BOX” THINKING

Student Leaders and huddle sponsor Coach Clayton Hill at Round Rock Christian Academy were looking for an easy way to spread the Gospel of Jesus Christ. They were also searching to find a way to hold themselves accountable while making decisions throughout a day. They came up with the idea of wearing a lanyard with a tag that on one side had the word “THINK” . The backside of the tag stated “The decision I’m about to make is going to”:

1. Honor God
2. Honor my family
3. Honor my school/team
4. Honor my community

It has been a very effective tool in sharing the Gospel and helping to hold one another accountable.
