### WHAT A NIGHT, WHAT A GOD!

The night of Wednesday, October 8 was filled with the praises and prayers of hundreds and hundreds of students. It was “Fields of Faith” night. “Fields of Faith” is a student-to-student event. Peers invite their own classmates and teammates to meet on their school’s athletic field to hear fellow students share their faith testimonies, challenge them to read the Bible and to come to faith in Jesus Christ. Georgetown alone had 750 in their high school stadium. This evening event blends together the powerfully influencing and appealing elements of FCA...peer leadership and planning, fellowship time filled with games and food, personal testimonies, praise and worship music, and motivational speakers. “Fields of Faith” nights were held at the following high schools: Pflugerville, Thorndale, Taylor, Georgetown, Round Rock, Rouse, Lockhart, Shiner,, and Texas State University also had a “Fields of Faith.”

In looking back it is easy to see that God orchestrated these events. There were many who came out of the stands to dedicate or rededicate their lives to Jesus Christ.

### ST. EDWARDS TAPS FCA!

Every volleyball season St. Edwards University has a “Faith Night,” and this year, for the first time , the FCA huddle was asked to organize it. It turned into a great opportunity to share with the team and the crowd the huddle’s God-given talents...one member sang the national anthem, and another shared her personal testimony. Just one more way in which God uses the platform of athletics to show His goodness, and to share the Good News of Jesus Christ.
