About FCA...

For over 50 years, the Fellowship of Christian Athletes has believed that sports are much more than a game or pastime. Sports impact our culture and our world. The playing field is where many young people cultivate their values. An astounding 38 million kids between 8 and 18 play competitive sports. 93% of *Fortune* 500 CEO's played sports in school. That's why, as the largest Christian sports ministry in the world, we remain passionately committed to our vision "to see the world impacted for Jesus Christ through the influence of athletes and coaches."

Dear Community Leader,

Your local Fellowship of Christian Athletes ministry would like to offer you a unique opportunity to participate in the 2009 **Next Level Weekend** on **June 25-26** at the **University of South Alabama**. Our featured guest will be **Heath Evans**, starting fullback for the New Orleans Saints and former Auburn Tiger. We are organizing our sixth Next Level and are excited to announce our partnership with Cottage Hill Baptist Church and the University of South Alabama football team. The Jaguar football staff will provide leadership for our High School Skills Challenge. As many as twenty-four football teams from Mississippi, Florida, and Alabama will compete for the championship. Heath will share a life-changing message about football and faith with all of the players and coaches.

We are asking that you consider a donation of resources to this very worthwhile cause. Your contribution will help make this weekend a first-class event year-in and year-out. Please see the enclosed information on how you can be involved. Thanks for your consideration of this event. Feel free to contact me with any questions you may have at 251-510-7024.

Sincerely,
Dennis Hayford
