Special Camp Issue!

July 2009

A Note from Coach Cherry:

“Don't become so well-adjusted to your culture that you fit into it without even thinking. Instead, fix your attention on God. You'll be changed from the inside out. Readily recognize what he wants from you, and quickly respond to it. Unlike the culture around you, always dragging you down to its level of immaturity, God brings the best out of you, develops well-formed maturity in you.”
Romans 12:2 “The Message”

This verse is the theme for FCA camp 2009. Students and adults alike are being challenged to submit to the Lordship of Christ, having their minds renewed to conform to His will rather than the ways of the world. The result is that lives will be changed from the **INSIDE OUT!**

Camp Experience

“Camp far exceeded my expectations! I was so honored to meet and become friends with other Huddle Coaches—lasting friendships were made! One of my favorite parts of camp was the breakout session on prayer. It was a blessing to see students open up and pour their hearts out to God so freely. Worship times were equally amazing. All denominational barriers came down and we simply worshipped our Lord and Savior, Jesus Christ. Students were quiet on the way to camp, but were singing songs and chants on the way home. The bus was rockin'!
We can't wait to go back next year!”

Angel Garret, Huddle Coach, York Institute

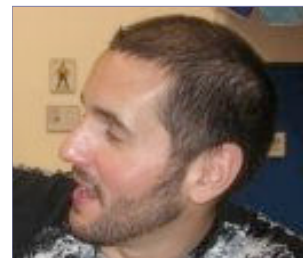

The Power of Camp

“This year I went to FCA Leadership camp at Lake Junaluska, NC. I was *absolutely blown away* at how God showed up at this camp! I am a youth pastor, so I have been to many camps/events. It's the honest truth when I say that this FCA camp was most unbelievable camp I have ever seen. My wife and I went to just be spectators—but ended up having a true Jesus experience.

Everything that was done was for the glory of Jesus—making it extremely successful. I have never seen the kind of worship that was done at this camp, but it was possibly the best I have ever seen. The kids had a blast, and every teenager I took with me said “I DO NOT WANT TO LEAVE”. The staff took care of every single detail. The student leaders probably ministered to me more than anything—giving up their time and summer to reach students.

Anyone considering sending their teen to an FCA camp does not need to think twice! Plan on doing it now! Youth pastors—get your kids to this camp! You will not be disappointed. Thanks to Noel and his staff for letting me be a part of this experience. See you there next year!”

Josh Cardwell, Youth Pastor/FCA Huddle Coach, Crossville, Tennessee

A Life Impacted by Camp

“Camp has truly impacted my life. Before the camp, I was a ‘good kid’ who didn't take advantage of that. At camp I realized God blessed me with all the things I have for a purpose. That reason being: to glorify Him and tell others about His grace toward me.”
