

Northwest Georgia's FCA Women's Ministry

Our mission.

For three years, North GA women's ministry has been committed to ministering to the 4 C's of FCA, ([Coaches](#), [campus](#), [camps and community](#)) in the area of Dalton, Whitfield, Murray, Calhoun and surrounding areas concentrating on female coaches, athletes and all Middle School students.

***Coaches**— to pray, encourage and equip ANY area female coach who in turn have strong influences on their athletes. By praying, building relationships, equipping with literature including bibles and offering local area female Legacy Builder small groups to female coaches and teachers. This is also available to any coach, or teacher, male or female, heading up their middle school huddle.*

***Campus**—to train each adult and student huddle leader to be organized and effectively run their schools huddle for Christ. To see the campus impacted for Christ through the influence of coaches and athletes. To offer ONE WAY 2 Play drug and alcohol free programs. To offer small group bible study for female athletes.*

***Camps**— to help organize, promote and support students and coaches from our area to attend leadership, coaches, coaches couple, team and multi-sports camps.*

***Community**— To get the community involved and be blessed by volunteering for yearly events including, fundraising banquets, luncheons, golf tournaments, girls bible study breakfasts, local boards, Middle School Rally and now our new ministry starting Fall 2008 Behind the Bench. A ministry that is for coaches wives. See website homepage for more details.*

For His Glory!!!
