FCA Camp Quotes

From a 9th grade girl from Knoxville: "Thank you so much for helping me come to camp. This week God worked in so many areas of my life. I rededicated my life to Him this week and I thank you again for helping me get to this place spiritually."

From mother of a 10th grade boy from Oak Ridge: "My son & I were so excited that he would have the opportunity to attend. We were not able to afford the camp...but God blessed us with sponsors so he could be part of this experience. This could not have come at a better time in his life as he has had a difficult past several months with the separation of me and his dad... When I picked him up he was so happy, singing in the car, he wanted to play the CD of the songs from camp and I could tell he was so moved by that experience. This must have been an awesome place...Thank you for allowing him to experience it at 16 years of age."

From a 10th grade girl from Knoxville: "I want to express how appreciative I am of you for helping me and giving me the opportunity to go to camp. I feel so blessed...I am forever changed!"
