Dear

I am committing to play in the Greater Fort Worth FCA Golf Marathon on August 30th. If you have never done it, just know that it is no small task, its work!

I am raising money for FCA because our kids are growing up in a very dark culture that scoffs at Biblical truth and Christian values. Just visit a local junior high or high school during lunch or a passing period and you will be amazed at the behavior exhibited. MTV and all the other negative cultural pressures have greatly impacted our teenagers. We need to start being authentic about these matters.

In fact, we are in a battle for the very hearts, minds and everlasting souls of our youth. We are engaged in the ultimate "turf-war" when it comes to our schools and reaching kids for Christ. I believe FCA is strategically positioned to fight this war because of a simple but highly effective ministry strategy. The two greatest cultural influences on kids in our country are sports and the entertainment industry. After over fifty years of "honing" its ministry strategy, FCA knows how to reach teenagers for Christ through sports. The evidence is overwhelming.

Over 85 cents of every dollar from this event gets funneled right back into ministry. Your donation helps fulfill the mission of FCA and therefore provides teenagers right here in Greater Fort Worth the Christian alternatives they need to say "no" to pre-marital sex, drug and alcohol abuse and gang participation.

Will you partner with me in this important endeavor? I've already pledged \$100 (just \$1 per hole) to support my participation in the FCA Golf Marathon. My personal goal is to raise \$_____, but I'm going to need your help to get there. Your generous donation will greatly influence the lives of local students, and renew my strength round about that 75th hole!

Remember: I am playing on August 30th so if you could fill out the sponsorship form below and send it, fax it or hand it to me today — that would be great!
