Tom Landry was a man who by his very character inspired those who knew him to be better people in every facet of their lives. Much has been documented about his public persona with the Dallas Cowboys. This book provides examples of his incredible character.

Following each real life example of Tom Landry's character in action is a biblical example of that character trait along with a "Personal Training" section with questions that ask the reader to dig deeper into the Bible to discover more about what God's word teaches on that character trait.
