Ministry Report

Leadership Camp: FCA Leadership Camp was held May 29-31 and 345 campers, staff and volunteers attended the camp. Praise God for our local representation – 21 students from middle schools and high schools in the District accompanied Isaiah, compared to last year when we sent only 1 student to this camp! We are joyful for the total numbers, but especially give praise for the four DC students who dedicated their lives to Christ. A few quotes from the weekend: DeAndre - "Camp was fun and it showed an easier way to find Christ"; Ray - "Camp was fun and it inspired me to go home and start FCA at my school"; and Toneisha - "Camp was great; it was cool being around other kids like you. It made it easy to be a Christian". Thank you for your prayers and support in helping send these kids to a life-changing experience.

Golf Tournament: This will serve essentially as a last minute reminder of our FCA-DC Golf Tournament scheduled for Noon on June 15 at Argyle Country Club in Silver Spring, MD. All registration, sponsorship, and payment information is available at www.fcadc.org and course information at www.argylecc.net. Come join us for golf, food, fellowship, and a chance to win \$10,000 (Hole-in-One Contest sponsored by The Nellis Group-RE/MAX Allegiance).
