

2010 FCA CAMP WYOMING SCHOLARSHIP REQUEST FORM

FCA wants to help enable every student to attend a camp that has the desire to attend and has the need for financial assistance. If receiving a partial scholarship is necessary to attend an FCA camp please fill out this form and send it to your local FCA office.

Each area has a limited amount of funds available that God has provided through our ministry partners and special fund raising events. We will try to provide financial assistance to as many campers as possible so that they can be blessed by the FCA camp experience. We trust that you share FCA's desire to follow the Biblical concepts of good stewardship and maximize the impact of God's blessing of scholarship resources for all of those potential campers who have a financial need.
