

## Ongoing Outreach with Basket of Hope

In Partnership With:

Colts Head Coach Tony Dungy  
and Project Coordinator, Jackie Cook

### Basket of Hope Mission Statement....

To give the hope that comes from Jesus to newly diagnosed children and their families affected by cancer or other serious illnesses, primarily by the delivery of a Basket of Hope filled with inspirational materials to nourish them mentally, emotionally, and spiritually.

### FCA Huddle Outreach....

To fill a basket for a child and their family!

Each basket will be filled with items suggested by Basket of Hope. Estimated cost per basket is \$65.

FCA is partnering with Basket of Hope to reach out to children at Riley Children's Hospital who have recently been diagnosed with cancer or other serious illnesses. These baskets are a simple way of showing children and their families God's love and care. An FCA teammate, Kraig Cabe, and his family were recipients of a Basket of Hope when their son Karson was diagnosed with Leukemia. The Cabe family can personally testify to what a Basket of Hope can deliver: mental, emotional, and spiritual hope in Jesus!

Let's come together to fill a basket for a child that will leave a lasting memory of hope from our FCA family!

**All Baskets will be filled with a Bible and Christian Music CD's before delivery to Riley Hospital.**
