FCA Golf Camp's purpose is to provide the best in golf instruction and practice in an atmosphere that exposes the camper to the Christian faith and fellowship. Small group discussions (huddles) led by college or young adult golfers, morning and evening chapel programs, recreation, and free time complete the day's activities.

Our Goal is that through the FCA Junior Golf Camps, every camper's experience would be truly unforgettable!

What do I get at FCA Junior Golf Camp?

Challenging instruction from college and professional coaches and athletes—Campers will receive instruction in groups and possibly in one-on-one settings. Not only instruction on physical and mental techniques, but also in spiritual growth.

Great housing and meals—Housing and meals are provided and built into the cost of the camp.

FCA Camp T-shirt—Each camper will receive a T-shirt with this year's camp theme and logo on it.

FCA Student Bible with discussion guides and study helps—The FCA Athlete's Bible is a great resource of the student athlete—a tool campers can take back to their campus and use to spread the gospel. It also makes a great resource that campers can draw from for personal growth.

With all of this free stuff you will also be getting care, instruction, and guidance from some great camp staff!

Who can go to FCA Junior Golf Camp?

FCA Junior Golf Camp provides a week to remember for those who are entering, are currently on, or have been a member of an athletic team and who are between 12 and 18 years old.

Camp is a great experience!

For over 50 years the FCA Camps program has worked best when friends, classmates and siblings are not housed together at Camp. Roommate requests cannot be honored.

Transportation to and from Camp is the responsibility of the camper. Contact your local FCA office to inquire about provided transportation. Campers should plan to arrive at Camp on the day Camp begins and leave the day Camp ends.

By your attendance at Camp you are granting your permission to be video-taped for commercial purposes and agree to the following: being filmed, videotaped, audiotaped, or photographed by any means; full use of your likeness, voice, and words without compensation; specifically waive all rights of privacy during the videotaping or filming and release the Fellowship of Christian Athletes from liability for loss, damage, or compensation for the use of your likeness, voice, and words; comply with all rules and regulations of FCA at Camp. In addition, such photographs and audio/visual recordings may be used in publications or advertising materials to let others know about our activities. These images may also be used by FCA or its agents to produce ministry resources for staff training, Camp or campus ministry or other uses to promote the ministry of FCA. FCA may also make these materials available for sale to the public.

Who Are the Camp Staff?

Simply the best!

FCA's 50-year camping history allows FCA Golf to have the highest quality staff! Our instructional staff have been carefully selected and consist of FCA staff, current collegiate and high school coaches, professional athletes and instructors, both current and former, and collegiate athletes. They bring years of coaching and performance experience to FCA Junior Golf Camps and serve as role models for campers, both on and off the field of competition. Every Junior Golf Camp is led by certified FCA staff who are committed to the youth of America. Each director has been trained and certified as an FCA Camp leader, and collectively, they bring years of FCA Camp leadership experience to the Junior Golf Camp Leadership Team.

What is a Huddle Leader?

College student-athletes will serve as Huddle Leaders this summer at FCA Junior Golf Camp. They will work directly with a small group of campers. The Huddle Coordinator, a trained and certified FCA Camp Leader, selects these leaders for the Camp. Each Huddle Leader is carefully handpicked, through careful screening, which includes an in-depth application process including references. Most are involved in the FCA ministry on their college campus and many were once a camper themselves. They are dedicated to Christ, not only at Camp, but in their everyday lives. Once selected, these leaders take part in an on-site training program, in addition to the preparation work they do before arriving at Camp.
