

2011 FCA Lady Falcons Girls Varsity Lacrosse Commitment Agreement

Player's Commitment Agreement

The principles of the Fellowship of Christian Athletes of Serving, Integrity, Teamwork, and Excellence guide our mutual commitment to enhance character development, leadership, teamwork, and maturity through the development of physical skills, competition, and responsibility. Parents, Coaches, Administrators, and Players each have a contribution to make to these goals.

As a player for the FCA Lady Falcons Girls Varsity Lacrosse Team, I am committed to the Team's activities and agree to wholly participate in the 2011 program by complying with the following:

1. I agree FCA Lady Falcons Girls Varsity Lacrosse is my priority for the Spring 2011 season, and I commit to make all scheduled games.

FCA Lady Falcons Lacrosse practices and games take precedence over other extracurricular activities. Where there is a conflict, FCA Lady Falcons Lacrosse will come first. ***Families who have the possibility of regular conflicts with practices or games, or who have planned absences for vacation, college visits, appointments, and the like during the season must meet with the Coach regarding these prior to the start of the season.*** Note: Lacrosse is a spring sport, and we encourage participating families not to take spring vacations that would interfere with the lacrosse season.

2. I agree to notify the Coach(es) of any unplanned schedule conflicts that may arise and seek his/her release from practice.

Players will at times experience **unplanned** events or emergencies that might interfere with practices. Players should alert the Coach(es) as soon as they become aware of these conflicts, to request to be excused from practices. Coaches will not penalize the player for an excused event. Should players have unexcused absences from practices, Coaches are permitted to reduce game playing time for that player. Players should not miss a scheduled game unless they have received the consent of the Coach.

3. Players who miss practice the day before a game for an unexcused absence may lose playing time in that game. The Coach, at his discretion, may play the student in the game.

4. When a player is ***ill***, they must notify the Coach. Ill players will not be penalized for missing a practice or game due to illness. When players are ***injured***, they are not excused from games or practices unless cleared by the Coach(es). Recovering injured players are expected to attend practices and games in order to assist the coaches, encourage their teammates, and continue to follow the principles and values of the Fellowship of Christian Athletes.

5. I agree to participate with my teammates in team-sponsored fundraising programs.

Participation in team-organized player fundraising activities prior to and during the season is necessary to raise the funds essential to run a legitimate high school varsity lacrosse program.
