HONORING AND SERVING THE FCA COMMUNITY

VOLUME 2009, NUMBER 5

## Last Huddle Meeting

All the FCA certified huddles do something special and or unique as each school year comes to a close. This year at **Sickles HS**, all seniors were ask to come down to the gym floor and take a knee for a time of prayer. Then the remaining students were requested to come and lay hands on the seniors as they graduated and moved on to what God would have them undertake. The reverence was incredible and above even most mid-week

church prayer meetings. Even though another group of over 100 students was in the gym the silence was deafening. Four students then prayed for their graduating friends as only true closely knit friends could pray. The bell rang dismissing the Sickles FCA Huddle for the last time in this school year but no one moved until the final amen. Christ is alive, the Spirit is working, in our students, in our schools, for the glory of God.

## FCA Leadership Board

In March of 2009 **Mike Babb** agreed to serve as Chairman of the Advisory Board. He is spear-heading the growth and expansion of FCA in the Tampa Bay area. Mike started his experience with FCA in middle school and continued through high school and college. The 2009-2010 Leadership Board members are: **Brian Code, Karen Code, Gary Cucchi, Chris Gould, Sam Hensley, Paul Rydell, Sam Marsonok, Travis Puleo, Chip Purcell, Dan Sullivan, Nathan Whitaker, George Witt and Steve Young.**

## Heart of Worship 2009

**Sickles HS** FCA, has organized and completed their 4<sup>th</sup> Heart of Worship. The evening began with a circle of prayer outside the entry doors which opened following the sound of the horns playing for the Glory of God. Many student, faculty and parents joined and enjoyed Sickles largest "Heart of Worship," yet! Three bands played their hearts out. Several teens practiced to perfection as they prepared to share their

testimonies with their peers. Skits and tricks were amazing. FCA club shirts were everywhere.

Held at **Leto HS**, several FCA huddles joined together in heart and soul as their 2<sup>nd</sup> “Heart of Worship,” encouraged many. Multiple bands played the fingers off. FCA shirts from several schools and FCA events were everywhere. A couple local churches and many adults also added to the crowd and witnessed the Holy Spirit moving in the group. Thank you **Crossover** and **Salem** for your commitment to your youth and attendance at their event.

## 24<sup>th</sup> Annual FCA Golf Tournament

Seventy-four of Tampa Bay’s most unique golfers were more than ready, they were EARLY, for this year’s shotgun start. Committee members **Steve Young, Brian Code, Hugh Quimby, George Witt, Peter Young, David Bankston, and Dan Sullivan** did an outstanding job in organizing, filling and running an amazingly smooth event. Golfers received a total of \$220 of “goodies.” Lunch and dinner filled us until we could eat no more. The door prizes were great with many names drawn and the golfer not present so another

name was drawn. The best moment was not when **David Housefield** won the HDTV for the third year in a row but when **Pastor Ken Whitten’s** name was drawn and he was no longer present. Those present went “AAAAH” in unison – sorry Pastor, we still love you. Plus, **David Housefield** says THANK YOU!
