Monthly e-newsletter for the Heart of Texas Fellowship of Christian Athletes

January 2009

Volume 2, Issue 5

Happy New Year!...The Heart of Texas FCA had a blessed year of ministry in 2008. Thanks to so many of you! As you can see from the upcoming events schedule to the right we hope to continue to reach all areas of ministry: coaches, camps, campus, community. What I have been reminded of as the planning and organizing of these events take place is this question: Why are we doing these events? What is the focus? Is it to raise a lot of money? Or how about to expand the FCA ministry presence? While these events may provide positive results in those areas the real reason we are doing these events is to draw those participating into a deeper relationship with Jesus

This is why more than ever we need you. Our need for volunteers to help put these events together is great. Whether it's volunteering for 2 hours at the Victory Bowl press conference on February 8th, serving as a greeter for the Victory Bowl banquet, or being on the golf tournament committee all roles are vitally important. In this time of a new President taking office later this month it was our 33rd President, Harry Truman who was quoted as saying, "It is amazing what you can accomplish if you do not care who gets the credit." Would you consider joining the Heart of Texas FCA ministry? If you are interested I would love to talk with you in more detail about the specific needs there are and what would best fit your abilities and time available. More than anything please be in prayer before the Lord for the FCA ministry in the coming months. Your prayers are making a difference and will pave the way for God's power to continue to be at work throughout Central Texas. Thank you!
