One of the highlights towards the end of the school year was the huddle at **Hamilton high school**. Not only have they formed an official huddle but they are sending 6 students to FCA leadership camp this summer. Look for this huddle to make a big impact in their school and community in the coming school year. Pictured here is their huddle at a meeting before school.

**May 12th the first Victory Bowl** planning meeting took place as coaches, businessmen, athletic directors & others met to put some details in place for this area wide impactful event. This event will be a major piece of the FCA ministry as well as a big source of funding the ministry.

**Saturday, May 31st board member and former Dallas Cowboy Burton Lawless** and I went down to Killeen for an area wide rally for Killeen/Copperas Cove schools. 5 area schools participated in a morning of competition, food, fellowship & inspiration. This event has the potential to be a springboard for future events in the area, As these events continue plans are already in place to form a leadership board for the area and lay the groundwork for a full time staff person.
