HOME TEAM

Teams play to a different level at HOME. Why? They are energized from the support of the HOME fans.

There is nothing like running out of the tunnel of your HOME stadium. The H.O.T. FCA needs some faithful “fans” to fulfill the task of taking the gospel to coaches, athletes, and all whom they influence.

Fans who are eager to “fill the HOME stadium” each and every month with financial support.

Where does my money go?

- \$1000 per month will allow one FCA staff person to minister to **17 different campuses**.
- \$500 per month will allow us to reach **over 2,000 kids** in one year.
- \$100 per month will yield 100 Bibles into the hands of those in need of one throughout the year.
- \$50 per month keeps the Heart of Texas FCA **website** up and going each month.
- \$15 per month will send a ms/hs student to leadership camp in the summer.
- \$10 per month provides materials for coaches/team Bible studies & chapels.
- \$5 per month provides transportation for a ms/hs student to & from summer camp.

What is the Home Team? A group made up of individuals, churches, businesses, families who have been impacted by God through the ministry of the FCA. The impact moving them to support the financial needs of the local ministry.

What amount puts me on the Home Team? Anything from \$5 to \$1000 a month – all gifts are tax-deductable.

Why give monthly? It is the consistent financial support that will bring stability.
