

Host Home Information

FCA SuperCentex Victory Bowl week begins on Wednesday, June 10th and runs through Saturday, June 13th. Host homes will house student athletes Wednesday, Thursday, and Friday night and they will leave in the early afternoon on Saturday.

The responsibilities of being an FCA Victory Bowl Host family are simple and hopefully will allow for a very positive experience. It is our hope that you can develop a good relationship with the players and cheerleaders and that you will be blessed by their presence as well. The responsibilities of the host home are:

- Must complete a Ministry Leader Application with pastor's recommendation
- Attend mandatory orientation meeting for all Host Home Hosts
- Greet your All-Star guests and attend ice cream social on Wednesday evening, June 10th
- Pray for the students that are staying in your home.
- Be a Christ-like example to them, as there are probably many students who do not know Christ personally or live in a Christian home.
- Provide breakfast for the students each morning (if they choose to eat breakfast).
- Provide a place where the students can sleep, shower, relax, etc...
- Be sure they are up in the morning for practice and are not out past curfew.
- Be encouraging to them.
- Do what you can to attend the game on Saturday, June 13th, so that you can see what the fuss is all about!

We need to have our homes secured by May 4th in order to get placement arranged and information out to all whom are affected. Please contact the FCA office at 254-717-4290 for more information.
