

Join the Heart of Texas Fellowship of Christian Athletes

1st and 10 TEAM

What is the most critical down in football? FIRST DOWN! If the offense can get 5-6 yards then they can get an advantage over the defense keeping them guessing. If the defense can get a stop then they can get aggressive. The H.O.T. FCA realizes we have been given the ball, in this case the gospel. Yet to move it down the field to score and make a difference we must be effective on **FIRST DOWN.**

“FCA is the lifeline and lifeblood for athletes and coaches in the Heart of Texas. In my opinion, it is the *best vehicle to carry the gospel* to middle school, high school, and college campuses. Join with me in supporting the ministry both financially and in prayer.”

-Johnny Tusa, Waco HS Head Football Coach

“As **coaches** we are commissioned with the incredible responsibility of mentoring today's youth and tomorrow's leaders. We are blessed with the most powerful platform in this country. Through sports and the Fellowship of Christian Athletes, coaches can change lives for generations to come. Please join me and my wife, Janice, in helping support *the powerful ministry of the Heart of Texas FCA.*”

-Glenn Moore, Baylor University Head Softball Coach
