Monthly e-newsletter for the Heart of Texas Fellowship of Christian Athletes

November 2009

Volume 3, Issue 3

The month of October was filled with some of the most impactful ministry events I have been involved with. Both Baylor Game day events were outstanding with Baylor athletes Lindsey Palmer, Jelly Stanivuk and Bryan Swindoll speaking before the BU/A&M volleyball game. Briana Tolbert

(pictured to right) and Robert Griffin spoke before the BU/Nebraska football game. As usual, when doing events like these, the ones most impacted are the athletes that share as they get out of their comfort zone. They get the opportunity, some for the first time, to verbally declare their dependence upon Christ. With both events combined we were able to reach 18 different campuses and over 400 coaches and athletes.

A fantastic answer to prayer occurred this past month when Leadership Board member Coach Johnny Tusa stepped forward to become our Board Chairman. Coach's presence on the Leadership Board provides already great credibility and insight and now his proven leadership abilities will be a huge asset to the functioning growth of the Board.

Sunday, November 8th we will be hosting our first Leadership Locker. This is open for all student leaders of area high school FCA huddles. Our focus this first time around is to target the high school leaders from the huddles in McLennan county and as the ministry grows do similar events in other areas for huddles to participate in. If you are involved in a high school huddle in McLennan county contact our office for more details.
