Monthly e-newsletter for the Heart of Texas Fellowship of Christian Athletes

September 2007

Volume 1, Issue 1

[Excited to be here and experiencing God's faithfulness](#) can sum up our feelings of the first 2

months in our new hometown. The Heart of Texas area is made up of 12 counties and over 120 campuses. The immediate strategies are to reenergize the Leadership Board, reestablish the monthly donor base, and rebuild the Baylor FCA Huddle & campus ministry. No small tasks and will only be accomplished with the Lord's wisdom and favor. If you live in the Heart of Texas area I would personally love to meet you and share with you more specifically how these goals will be reached. If you are a coach looking to start up FCA on your campus or want to grow an existing huddle I would love to help. In Chapter 9 of Nehemiah, the nation of Israel spent time remembering God's faithfulness from Creation to that point. Katherine and I have been

able to do the same as we look back over the last few months to see where our Lord and Savior has brought us. It is an exciting time to be on the front lines serving the coaches, athletes, and all whom they influence. We cannot do it though without the help of you. Would you consider how the Lord might want you to use your talents and grow this ministry to bring His name greater glory? We need volunteers, board members, monthly and one time donors, prayer warriors, new huddle coaches, student leaders, financial support from churches...to name a few immediate needs.
