Monthly e-newsletter for the Heart of Texas Fellowship of Christian Athletes

December 2007

Volume 1, Issue 4

PRAISE THE LORD! For the great turnout, weather, and His Word that was shared at this year's FCA Game day with Baylor football. Approximately 300 of us threw the football, cheered for the Bears and heard testimonies from BU athletes Brooks Kimmey & Amanda Miller (pictured here to the right). Be on the lookout as next semester we will do another FCA Game day with Baylor basketball-Saturday, March 1st-Baylor vs. Missouri. The **Heart of Texas FCA needs your financial & prayer support** as nearly 300 year end letters went out at the end of November-all of which had a hand written note from me. These letters went to all the businesses, families, and individuals who have supported this ministry in the past but are not currently. Pray that these letters are received and that God moves those who receive them to meet a great need. Pray also how you personally may be able to give as this calendar year draws to a close. I would love to visit with you to discuss the many different ways this ministry can be supported. **THANK YOU** to those who have jumped on board to support us be it a onetime gift, joining the **Home Team** or you coaches who have joined the **First & 10 Team**.

Representing the Heart of Texas-West area at Game day was Eastern Hills MS from Killeen. Coach Peter Brown brought a group of students (pictured on the left) and is making an eternal difference in the lives of the young students and athletes who walk through the hall ways, eat in the cafeteria, and play on the athletic teams on his campus.

Props to the Heart of Texas-East area! Based in Corsicana, the adult volunteers are preparing to send students to both the leadership and sports camps in Texas this summer. They are also hosting a "Coaches Night Out"

for coaches and spouses of Corsicana on December 14th.

Coming soon on February 16th the Heart of Texas area will be doing our own Coaches Appreciation dinner at Columbus Avenue Baptist Church. More details in next month's newsletter and on the website.
