A successful FCA Gameday

with BU men's basketball took place on Saturday, March 1st. Over 200 FCA students, coaches, and adults came out to cheer on the Bears win over Missouri. Before the game, two BU FCA leaders: Shea Yates & Cameron Glass shared with all of us the reason for the hope they have: Jesus! Here is a picture of our

group before heading into watch what turned out to be a great game. FCA huddles coming to Gameday provides a great chance for them to reach out to students who may not normally come to the weekly huddle meetings but by inviting them to the game they hear the gospel clearly explained.

Heading down the home stretch... With roughly two months remaining in the semester for middle/high schools and one month for colleges there is a lot to do in a short amount of time.
