Integrity... Serving... Teamwork... Excellence... April—June 2008

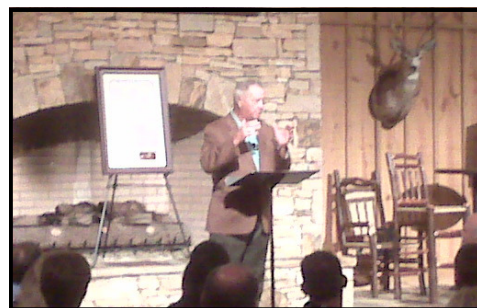

Coach Tom Osborne

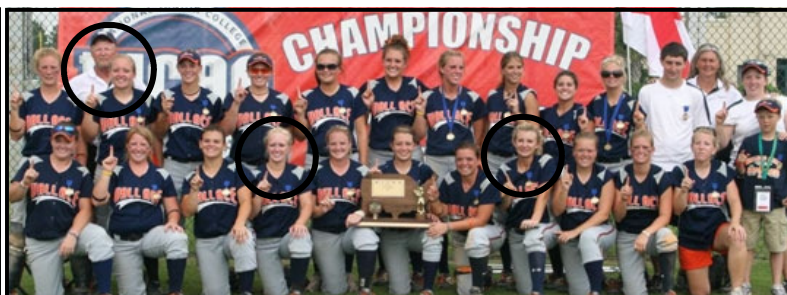

Two Legends - One Message

The last 90 days have been a tremendous rush for the FCA Staff, Leadership Board and FCA Team-mates. Coach Tom Osborne spoke at our Madison County Banquet in April and then Coach Bobby Bowden spoke to our Leadership Board for a special Board Appreciation Night.

These men could have been many different places on these nights but they chose to be used by the Lord to proclaim the Truth — Jesus is the Way, the Truth and the Life! Praise the Lord for these men and for their commitment to the Lord and their love for the FCA Ministry.

Coach Bobby Bowden

The Season of a Lifetime

Several months ago I was contacted by Coach Tracy Grindrod for information on how to start an FCA Huddle. I immediately was impressed with Coach because he was a full-time coach w/ part-time pay and he had another full time job outside of school. Coach then told me he lives in Huntsville and drives to Hanceville (50 miles one way) to Coach after working his full time job.

Coach shared with me how the Lord had impressed on his heart to start an FCA Huddle at Wallace & so he did it. He started a ministry which will take more of his time after he drives 2 hours/day & after he works a full-time job and then coaches too. WOW! Praise the Lord for his obedience. After our meeting together he recruited 3 young ladies who had a passion to make a difference on their team/campus for Christ through the ministry of FCA. Next, Todd Mitchell (FCA Board Member) & I drove down to Hanceville to do some leadership training. The Huddle began with only 2 months remaining in the school year. They ended up having 6 meetings & at the last meeting they had 28 students in attendance. Oh, by the way, they also WON THE NATIONAL CHAMPIONSHIP and became the 1st Jr. College Team to ever win the National Championship in AL. Praise the Lord for Coach Grindrod, these 3 young ladies & the FCA Huddle at Wallace State. God must have blessed them with the National Championship to bring Himself more Glory because their Team has not stopped Praising Him for the *Season of a Lifetime*. Praise the Lord for all He has done and is doing!
