Monthly e-newsletter for the University of Mississippi Fellowship of Christian Athletes

August 2009

Volume 1, Issue 1

In John 21:25, John wrote of Jesus and his ministry, "and there are also many other things that Jesus did, which, if they were written one by one, I suppose not even the world itself could contain the books that would be written." Over the last two months, Jennifer and I (Todd) feel like we could write much of what God has done in our lives and the lives of others.

In the middle of July, I was offered the position of Campus Director for the Fellowship of Christian Athletes at the University of Mississippi and was asked to begin ministry in August. Three weeks later we had everything packed up to move. We arrived in Oxford, MS on August 1st and quickly moved into our rental home. We were able to get everything unpacked and organized in two days.

God has answered many prayers over the last two months. We put our townhome up for sale mid May, and on August 5th, we closed on the townhome. Also, Jennifer was able to join staff as Administrative Assistant this year.

Since arriving here in Oxford, we have been welcomed with open arms. There are so many people who love the Lord here and are excited about the ministry of FCA. I have been able to connect with many people here in town as well as with the coaches and administration. I have also been able to have team meetings with the basketball, baseball, and track teams. The head men's basketball coach had me lead a bible study last week at which I was able to share the gospel with his entire team and coaching staff.

The Lord has also put together a great group of student leaders who are hungry to grow and serve their fellow teammates. We had our first FCA Huddle meeting last Monday night and 40 student athletes were in attendance! This was a time for students to gather together for fellowship, games, worship, and Bible teaching. We will continue to meet on Monday nights at the Ole Miss campus throughout the school year.

Jennifer and I feel so honored to be a part of Ole Miss FCA and look forward to sharing more with you all what is going on at this campus. Please visit
