

Camp 2010

Dear FCA Teammate,

Thank you for your interest in our 2010 FCA Camps. The Fellowship of Christian Athletes has now been working with coaches and students for over 50 years. Through FCA, thousands have either strengthened or started their walk with Christ and have grown in their faith. Each year we have camps for students and for coaches and their families. Our Camp Theme this year is: **“Unleash the Power: Strengthen Your Core”**
Colossians 1:11

If you can't afford camp without a scholarship, complete and return the scholarship form. I will determine if a grant can be made and you will be informed as to the amount--then you can send in the camp enrollment form with the correct payment. The scholarship amount is typically about half of the cost of camp, but state your real need.

There will be van transportation to Leadership Camp in MD and bus transportation to Salisbury Sports Camp in MD. The cost for the van is \$15 and the bus is \$75.00* per person. Please take this into consideration as you make your request.

If you have any questions please call our FCA office (540-899-3422). Please share the information on our camps with your friends and your church. God uses FCA Camp to change lives!

(*THIS IS AN ESTIMATE.)

Blessings,

Kerry O'Neill
Area Director

Scholarship FAQ's

Should everyone apply for a scholarship? No, only those who would be unable to attend camp without some financial aid should apply.

Where does the scholarship money come from?

FCA is a faith-funded ministry and all of the money necessary for the ministry to continue is raised locally. Most of the money comes from individuals like you.

Is the scholarship money wasted if no one applies for it? No, it supports the ongoing local ministry of our staff to kids, coaches, and others.

How much should I request? Request only as much as needed.

Do you give full scholarships? Only in extreme situations. We want each camper to take on at least a small part of the responsibility of paying for camp.

Is other scholarship money available? Yes, you should approach your school's FCA huddle, your local civic clubs (e.g. Kiwanis), and your local church for financial assistance. Our staff can help make contact for you, if needed.
