Automatic Monthly Partner Plan

The Benefits of AMP:

AMP is convenient, easy and time saving.

There is no need to worry about writing checks. Your contributions are made safely, quickly and automatically to FCA's bank with monthly transfers between your checking, savings or credit card account.

AMP can be a better way to budget your contribution.

Planning your annual giving amounts or increases becomes possible when spread over 12 months.

AMP spreads out your gift to FCA.

The assurance of a predictable monthly income allows FCA to make more informed ministry and stewardship decisions.

"For me, AMP is a 'no-brainer.' I like knowing I'm keeping up on my commitment to FCA, because it's automatic. I don't have to think about it, and it's helping FCA."

- AMP donor

"Automatic monthly donations are a very easy approach to giving for many of our donors. There is no doubt that this process provides a steady cash flow, along with the fact that fewer checks need to be handled here in our office."
