

Dear Friends,

Please join us on Monday, March 29, 2010 for our 11th Annual Fellowship of Christian Athletes (FCA) charity golf tournament so we can make a positive impact on the lives of youth through our presence on 60 high school campuses throughout the OC, and through our sports camp scholarship program.

Your participation in this annual charity event will allow us to continue to influence the lives of children in our own backyard – here in the OC.

The FCA Vision

To see the world impacted for Jesus Christ through the influence of athletes and coaches.

Be part of the team that makes a positive impact on the lives of children, athletes and coaches. FCA encourages young people to develop personal integrity and become leaders in their communities.

We need your help to influence children to demonstrate Integrity, Serving, Teamwork and Excellence.

Be part of a TEAM that makes a difference – in a child's life.

Send a child to camp! Your donation of \$495 can change a life.

Be part of this great golf event!

God Bless,
Greg Brown
Orange County Director
